City of Lecce

Bike Tour

Discover the most beautiful places in the historic center. A little gem with a Roman amphitheater, stunning churches and beautiful Palazzo buildings.

Wonderful ride to discover the capital of Salento, also known as the Florence of the South, for the presence of numerous churches, palaces and monuments richly decorated in the Baroque style.

The historic center of Lecce is a little gem waiting to be discovered, getting lost in the tangle of its alleys and always keeping your head up to catch every glimpse and every decorative detail. The bike is the ideal means of moving easily through the streets of the center: we will pedal to discover the ancient city gates, we will see the Roman theater and amphitheater, the basilica of Santa Croce, the Duomo and the famous Piazza Sant'Oronzo. We will discover the workshops of local artisans, where papier-mâché, ceramics and Lecce stone are still being worked, and we will be guided by the scents that intoxicate the narrow streets of the center to discover more about local flavors as well.
