## Sailing Tour & Lunch

**Punta Pizzo Nature Park Gallipoli**

*Captain Nereo is happy to welcome aboard sailing fans who have a desire to appreciate pleasure sailing in a small cabotage for max. 6 people, under the coasts of the Gallipoli gulfs. Zuyderland is a 28-foot, 8.40m sailing cutter from 1977 in very good shape*

We cast off our moorings from the enchanting dock of the **Sailing Club**, in the San Giorgio basin of Gallipoli, shallows of the harbor beside the **Beach della Purity** in the old town. We circumnavigate the Island of St. Andrew, reverence the Corsican Gull and other inhabitants of the **Punta Pizzo Nature Park**. You double the **Island Lighthouse**, observe all this very slowly and enjoy from the Sea the **View of Kalè Polis**, the Beautiful City of Gallipoli and its fortified walls protecting the many Baroque churches. You can do, if weather permits, swimming, fishing, snorkeling. You will enjoy a typical **Light Lunch**. Above all, on this tour you can relax and listen to the slow lapping of the waves while sailing in crystalline waters.
