

The Salento  
is sea and  
much more!

Along the coast,  
north of S.M. di  
Leuca,  
discover with an  
environmental  
guide one  
of the most  
fascinating places  
in Salento.

You will  
experience a  
natural canyon,  
prehistoric caves  
and rock  
cathedrals  
overlooking the  
sea.

## Ciolo Canyon & Cipolliane Path Trekking Tour

*The Canalone del Ciolo, the canyon carved by  
the course of a river, high cliffs, natural  
balconies with breathtaking views...*

With this trekking we will discover one of the most particular and fascinating places of Salento, the Ciolo canyon, a deep gorge dug by the course of a prehistoric river.

Walking along the paths between his high cliffs we will discover the secrets and wonder that he olds: prehistoric caves, plants of rare beauty, old “pajare” (dry stone houses) set in nature. Then we will continue along the coast on the splendid Cipolliane path.

Our track, surrounded by dry stone walls and natural balconies with a breathtaking view, will lead us to the Cipolliane caves, incredible rock cathedrals overlooking the Adriatic sea.
